 Week 5: *Top Secret Recipes* (Call for details on recipes). Yummmmm. What could be more fun!

"From Carnegie Hall to Forest Hills," Belle Arti Center for the Arts is "the place to be for music." The summer camp program provides an excellent introduction to music studies. Children participate in two hours of instrumental instruction. One hour of music theory and one hour instrumental instruction.

Bring your child to a place of joy, happiness, and peace through Bamboomoves yoga and martial arts. Kids will learn postures, breathing techniques, yogic conduct, and ways to relax and calm their mind. The program will give kids the tools they need to develop focus, coordination, strength, balance, and flexibility, as well as greater cooperation and connection with others.

Dance, dance, dance! Campers will focus on theater, tap, jazz, hip hop, and acrobatics! Kids will increase flexibility, improve coordination, focus on muscle strengthening, and build poise. Activities are specially designed to encourage performers at every skill level to grow -- while **HAVING FUN!**
